UNFINISHED BUSINESS

- **Virginia Credit Union Live!**—We have been asked to save the dates for upcoming concerts: 4/26/25 (Warren Zeiders), 5/8/25 (Avett Brothers), 6/4/25 (Teddy Swims), 6/13/25 (Megan Moroney). This is a great way to help earn money for the club and to see some good shows for free. Sue will be coordinating.
- **Cattle Baron's Ball**—PHCoR helped with auctions, selling, etc. for the Cattle Baron's Ball at Keystone Acres to benefit the American Cancer Society on October 19. Our folks had a great time helping at this event as in past years. Janet McKenny coordinated the event. Janet mentioned 2.5M was raised and we worked over 82 hours. It was a great event.
- **Meeting of the Minds**—We had 14 club members attend Meeting of the Minds this year, and we participated in the miniature golf tournament, several training sessions, club leaders brunch, many great shows, and the inaugural Trop Rock Olympics (which we won with the help of our celebrity captain, Jessi Pugh). We purchased \$150 in scholarship raffle tickets and won a framed poster from the Hollywood Bowl show in April which Kevin purchased from the club for \$100. It was a great time, and many of us are looking forward to doing it again. LuLu's had a great Shrimp Boil and did the 2nd line walk, much better set-up overall this year which was great.
- **Trop Rock'N DuVal**—Dozens of trop rock artists and hundreds of fans descended upon Key West October 29 – November 3. We had a few club members attend, and Dave McKenney not only attended but also performed. Wendy attended and had a fabulous time, there was a JB through the years show and Conch train ride through Key West.
- **PHCoR Pity Party**—Some folks had to stay behind and miss these events, and several got together for a "pity party". Karen mentioned we had 2 Pity Parties(Wong's Tacos and O'Tooles) and both were well attended, the group took over and a fun time was had by all.

NEW BUSINESS

- **Treasurer's Report**—Kevin is at a conference and unable to attend. We have \$7156.34 in the bank and \$6620 due to complete 30 party payments, so our remaining balance will be \$536.34. We are still looking to receive funds from our concert ticket scanning this fall, so this number will go up some when those checks are received.
- **Club T-shirts**—Let's review the website to see what is available so far, and if the membership approves, we can go ahead and give approval to take the site live. Then, ordering details will be shared with the membership. Free shipping to the club, motion was passed to use the T-Shirt vendor, ordering coming soon!
